National Night Out Against Crime

Mayor Tom Dolan along with Chief of Police Steve Chapman and City Council Member Steve Fairbanks speaking with residents about crime prevention.

National Night Out Against Crime is celebrated to heighten crime prevention awareness and strengthen Neighborhood Watch. This year, the Night Out Against Crime will be Tuesday, Aug. 5.

Traditionally, the event is celebrated by everyone turning on outdoor lights and taking flashlight walks through the neighborhood. Additionally, neighborhoods around Sandy will be organizing parties and cookouts to celebrate the evening.

This event is designed to: (1) heighten crime and drug prevention awareness; (2) generate support for, and participation in, local anticrime programs; (3) strengthen neighborhood spirit and police-community partnerships; and (4) send a message to criminals letting them know that neighborhoods are organized and fighting back against crime.

The Sandy City Police Department as well as various city officials will be attending the neighborhood gatherings that are taking place.

If you would like more information about Night Out Against Crime, Neighborhood Watch, or any other crime prevention program, contact Amy Bryant with the Sandy City Police Department at 568-6090.
